**Subject:** Human First Event -- May 18, 2013

In compliance with your April 26, 2013 message stating:

“It does mean that you are required to report your acceptance of the admission to the Board of Ethics within 10 days of the event. An email just listing the who/what/where/ when will suffice. Actually, you can resend the invite and a cover email that you accepted it.”

I am forwarding the invitation I received from Candice Hart, a member of the Board of Directors of the Center on Halsted.

Please be advised that I did attend this event as a guest of the Center on Halsted.
